

# Grand View Christian School Lunch Program

August 2021

Dear Parents,

Preschool through 12<sup>th</sup> grade will have the opportunity to participate in the hot lunch program again for the 21-22 school year. We are excited to offer a few new vendors this year along with Hy-Vee. Mondays will be Chick-Fil-A sandwiches and Wednesday will be Papa John's Pizza. The rest of the week, Hy-Vee will provide hot lunches. We hope parents will find this to be a convenient lunch option for their students

We are continuing with the online program which will make ordering and paying much easier. If you are new or have never set up a family account and you would like to participate in the hot lunch program, you can follow this link on our school website <http://www.grandviewchristianschool.org/connect/parents.cfm> or you can go to our home page, click on quick links and go to the hot lunch icon.

## **Setting up a new Account:**

Once on the lunch site you will need to set up a profile for each student in your family by choosing "ADD STUDENT". For elementary students you will need to choose their homeroom teacher. If you do not know their teacher at this time it can be changed at a later date. For middle and high school students any teacher name will work. If you do not put a teacher name in the field the account will not be complete or set up. *This is not a step you can skip.*

## **Returning families:**

For those that used the online system last year you will need to update your student's information. Go to "Modify" next to the student's name. If your student changed from elementary to middle school or middle school to high school you will need to change that information first. Then, you can change the grade level directly below. To finalize the update, enter the student's homeroom teacher name.

## **To place an order:**

- Choose "Place an order" in the dashboard OR "Order" next to student.
- Click "NEXT" to scroll ahead to see the menu for each day.
- Fill the dots for your selections. If you changed your mind before payment is made, you will need to go to your cart to delete the items.
- Go to "Add to cart" to see selections and make your payment

Note: On Wednesdays elementary students will have the option to choose one or two pieces of pizza while middle and high school will have a third option. Please choose one option per order per student.

## **To cancel an order:**

To cancel a meal, log in to your account. On the main page there is a "Meals Order" section. There you will see a link that says "cancel" next to the days for which you have ordered. Click on this link and confirm that you would like to cancel this meal. A credit for the value of the meal(s) will be added to your account as long as it is before the cut off of the previous week.

(OVER)

**\*All orders for the next week are due before 8:30 am Thursdays.**

For instance: orders for the first week of school, August 23 will be due no later than August 19 @ 8:30 am.
