

GRAND VIEW CHRISTIAN SCHOOL

8/5/21

Dear Parents,

As many of you know, we offer the option of ordering hot lunch online. The hot lunch is catered from 3 vendors, Hy-Vee, Papa Johns and Chick-Fil-A. There are a couple important things we would like to ensure you are aware of:

- All Hy-Vee meals are peanut/nut free but not prepared in a peanut/nut free kitchen
Note: There might be foods that contain other ingredients that some may be allergic to ie: Chinese food may contain pineapple or cooked in peanut oil or some of the desserts salads may have pineapple.
- Papa John's crust is not gluten free
- Chick-Fil-A uses peanut oil in the cooking of their chicken
- No substitutes for allergies or sensitivities will be offered

Parents are responsible for determining what meals are appropriate to order depending on your child's allergy.

If there are any questions please contact the school nurse at 777-3648.

Thank you,

Lisa Crabb R.N.
