

7/17/20

Dear Parents,

As many of you know, we offer the option of ordering hot lunch online. The hot lunch is catered from Hy-Vee. There are a couple of important things we would like to inform you about:

- All lunch meals are peanut/nut free but not prepared in a peanut/nut free kitchen
Note: There might be foods that contain other ingredients that some may be allergic to ie: Chinese food may contain pineapple or cooked in peanut oil or some of the desserts salads may have pineapple.
- They do not offer substitutes for different allergies (gluten free meals)

Parents are responsible for determining what meals are appropriate to order depending on your child's allergy.

If there are any questions please contact the school nurse at 777-3648.

Thank you,

Lisa Crabb R.N.
